**ANOTHER CHANGE IN
SPRING MEN'S and
WOMEN'S WALK**

Due to a conflict in schedule with a church activity, our Men's spring walk date has been changed to **May 12-15, 2016** and the Women's Walk is now **June 2-5, 2016**.

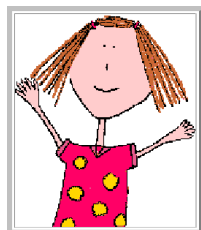

Please mark this change on your calendars.

WE HAD TO EAT, EAT, EAT
WE HAD TO SIT, SIT, SIT...

Remember singing this song on your Emmaus Weekend? Why not help someone else eat the wonderful food and sit, listening to life-changing Talks by donating to our Scholarship fund. Food for a Walk can be over \$2000 and you know what Pilgrim fees are. Any amount is appreciated. Contact Sandy Hagan to make a donation. (shagan39@bellsouth.net)

CHILDCARE IS PROVIDED...

At Send-off (Thursday, starting at 6:30 pm), Candlelight (Saturday, starting at 7:45pm), Closing (starting at 4 pm) and for all Gatherings. Our childcare provider is CPR certified. Please use this service for all children under the age of 14. During a Walk, for their safety, younger children should not be in the dining room or kitchen.

FLY HIGH WITH CHRIST!

My name is Becca Malone, GSMEC Flight #42 Table of Great Godly Women. The flight took place February of 2007. I had watched as both of my parents and my brother went on their respective Emmaus walks and Chrysalis flight as well as many members of my faith community. They were so excited for me to go on my own flight, and it felt like a rite of passage by the time I went. I was so ecstatic when I saw my best friend had also been

sponsored for our flight - I know it was a sweet gift from God to spend that weekend with her as we transformed from caterpillars to butterflies. My boyfriend at the time was also sponsored for the boy's flight occurring that same weekend; of course, I was *convinced* this was a God-thing at the time, too. The next weekend something happened in our relationship that left me broken-hearted which he told me about after our 4th day meeting. Between that event and learning that I would be moving two hours away, I felt like I didn't really get to process all that happened during my own flight or to truly join in the community.

The beauty of Chrysalis, though, is the opportunity to experience it again and again as one serving on the team. When I moved back to Knoxville to attend the University of Tennessee in the fall of 2009, I got my first chance to serve on the agape team. Lindsey (Almond, at the time) Piercy gave me the task of Agape gifts. I had no idea what I was doing but thoroughly enjoyed sneaking around for gift delivery and seeing the looks of delight over the simple gifts found at lunch tables and on beds

during break time. God astounded me as little details of my own flight were the same and memories were brought to mind. The Redeemer would not leave my flight to be forgotten. He is faithful!

I participated in the flights as much as possible those first two years of school. When I started nursing classes in 2011, I quickly saw my classes would demand more than being a team

member
would
allow
and

reluctantly pulled away from being on the team every flight. I would still attend the services of a weekend, but deeply missed the experience of preparing for and participating as a team member. The hiatus continued as I started my first year as a registered nurse and helped care for my mom during our first year of her battle with ovarian cancer.

I was shocked when I was asked to come back on a team as the coordinator

for the prayer chapel last fall. I felt as if I had barely participated in the community over the past few years that had involved some changes and certainly didn't feel prepared for a leadership role. Teresa Graham was determined. We spent the weeks in prayer over the team and caterpillars. The intercessor in me grew more than I could have imagined. I fell more in love with prayer time, came to depend on it, and, honestly, became exhausted by it. I saw the power of a prayer team and more importantly the power God delights to show through faithful intercession. My mom also served as a Table Leader giving the "Faith" talk; we celebrated a complete year since her initial surgery the same night we gathered to set up the flight. What a gloriously sweet weekend!

This past spring, Claudette Soreano asked me to be one of the adults with the agape team. I laughed that I would have a part of "running the show" when I had only worked agape once many years before. Most of the agape had never worked a flight, either. By the second meeting, we realized that the original Head Agape would not be available for the flight, and the role was handed to me. I couldn't imagine how we would make a flight happen! By the sweet grace of God, the girls bonded into a team. We played,

laughed, and prayed as we served. I told them many times I felt like a mom or protective big sister to them. I treasured working with them as I saw them process all that went on behind the scenes of their own flight less than six months before, then jump in to show and share that same agape love. It almost seemed like watching butterflies learning to fly only to realize, I was flying with them.

This is a community and experience that has helped me grow in each stage of my life. I could tell so many stories and give many examples of that growth, as I know you can, too. I am so delighted to serve and grow in this community with you. Here's to all that God has in store for us all!
